-Course Overviews-*

ICISF Class: Emotional and Spiritual Care in Disasters: March 24th, and March 25th, Tuesday and Wednesday, 2015.

This advanced level course will enhance your skills to provide effective emotional and spiritual care (ESC) to meet the disaster related needs of disaster responders and disaster affected families and individuals within disaster operations. This course builds on the crisis intervention principles taught in the Critical Incident Stress Management core courses to effectively integrate these principles with ESC teams for appropriate care throughout the disaster continuum from the immediate to long term recovery process.

This course is designed for trained clergy, chaplains, mental health professionals, laity, and CISM trained crisis responders who desire to enhance their skills in providing Emotional and Spiritual Care to survivors of disaster and trauma.

Suggested but not mandatory prerequisites: Individual Crisis Intervention and Peer Support Group; Group Crisis Intervention; Pastoral Crisis Intervention.

Course highlights

- One's own faith tradition and ESC
- ESC and the Incident Command System
- ESC and disaster relief operations
- Physical, psychological, emotional impact of disasters
- Behavioral, interpersonal and spiritual impact of disasters
- Range of ESC interventions in the aftermath
- Suitability to provide ESC
- Maintaining health during deployment
- Deployment personal care plans
- Intervention and care giving concepts
